RUSSIA

WRTC 2010: July 8-12
Moscow, Russia

Presentation at Contest Forum, Dayton 2010.
By Andy Chesnokov, UA3AB ua3ab@dateline.ru

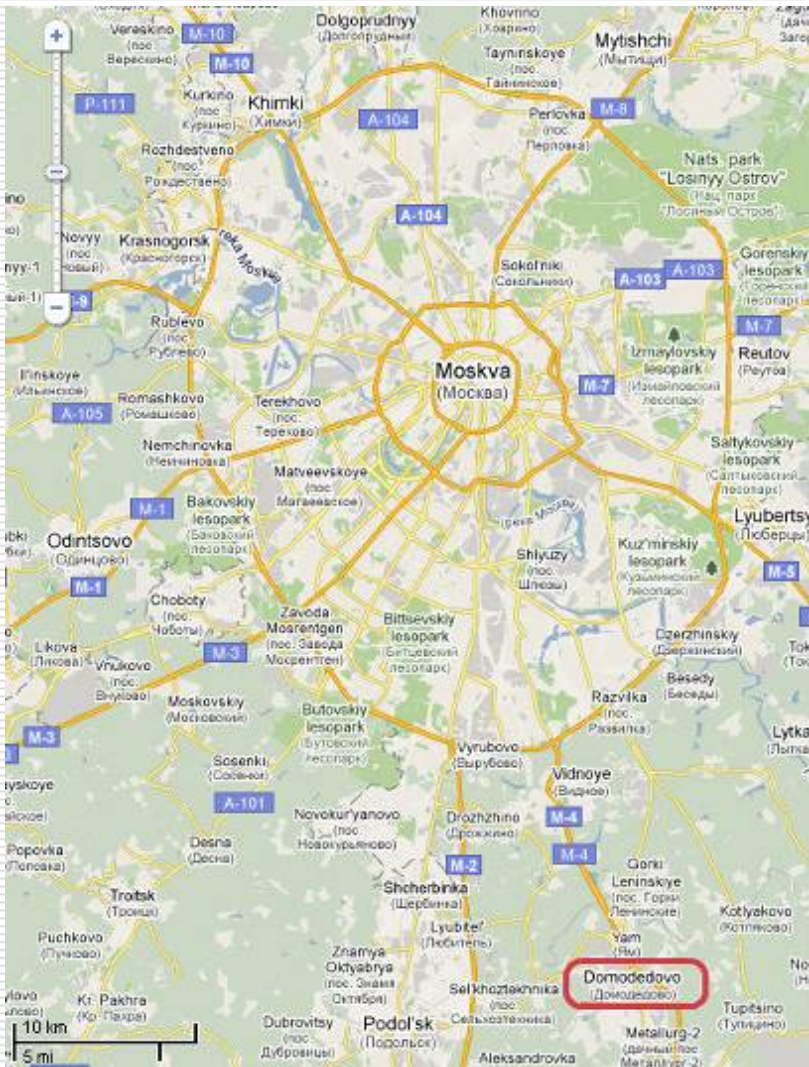

Welcome WRTC-2010!

- ⊕ It's a big privilege for Russian Amateur Radio Community to host WRTC-2010!
- ⊕ This event takes place in Russia, where contesting is growing and many youngsters get involved in Radio sport.
- ⊕ Russian Radio Sport Federation has a lot of experience in organizing competitions.
- ⊕ WRTC-2010 Organizing Committee:
Roman Thomas **RZ3AA** Chairman
Andrey Chesnokov **UA3AB** Co-Chairman
Igor Booklan **RA3AUU** Co-Chairman
Leonid Kovalevskiy **RZ3DU**
Leonid Mikhalevskiy **RL3BW**

QTH: Domodedovo

Location:

- ⊕ Domodedovo - regional town with a population over 80,000 people.
- ⊕ Near Domodedovo Intl. Airport
- ⊕ 11 miles South from Moscow

Typical climate data for July:

- ⊕ Night temperature: +14°C (57F)
- ⊕ Day temperature: +23°C (73F)

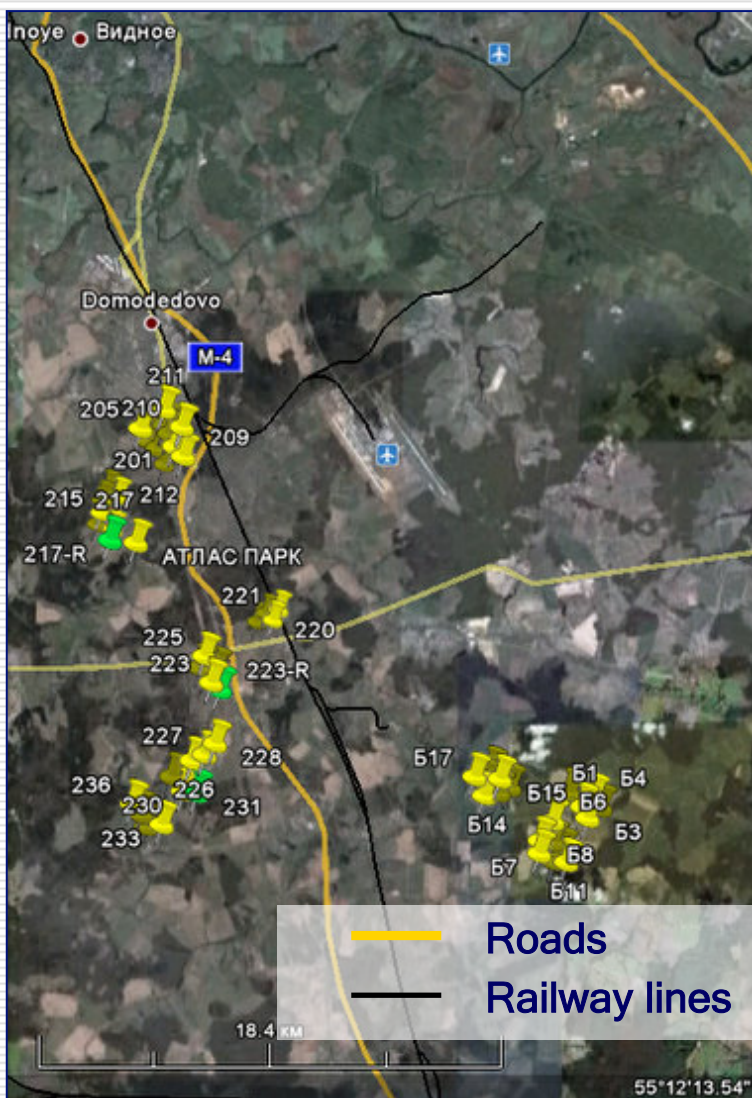

QTH: Hotel

⊕ WRTC competitors, referees and guests will stay at the Atlas Park Hotel, located near Domodedovo and within minutes from competition sites.

QTH: WRTC-2010 Locations

- ⊕ All operating sites are located within 40 x 30 km area with an elevation difference of less than 40 meters.
- ⊕ Minimal distance 500 meters between each site.
- ⊕ All teams brought to their sites early on Saturday morning, July 10, 8-9 hours before IARU contest begins.
- ⊕ 2-3 volunteers at each site will take care of the power generator.
- ⊕ Details on www.wrtc2010.ru

QTH: Field Sites

- ⊕ Domodedovo was the place of the Russian Radiosport Team Championship in 2007-09
- ⊕ Each location is equipped with:
 - * 20/15/10m tri-bander antenna, 40 m and 80 m Inverted V dipoles on 12m tower.
 - * Power Generator.
 - * Comfortable tent, tables, chairs, toilet cabin.

QRV: Competition

New WRTC rules allow both team members to be fully involved in operation to make it a true team competition!

Volunteers from all over Russia will provide all necessary support so teams can concentrate on making Qs.
